

### SECTION 3, COMPREHENSIVE STANDARD 3.4.13

For each major in a degree program, the institution assigns responsibility for program coordination, as well as for curriculum development and review, to persons academically qualified in the field. In those degree programs for which the institution does not identify a major, this requirement applies to a curricular area or concentration.

#### RATIONALE FOR JUDGMENT OF COMPLIANCE

For each major in a degree program [1], responsibility for program coordination and curriculum development and review at North Georgia College & State University rests with the faculty. The following table lists the departments, the majors, the program coordinators for each program, and the qualifications for each program coordinator. Each person listed as program coordinator is an academically qualified person in his/her field [2]. The majors are listed in the order that they appear in the NGCSU 2004-2006 Undergraduate Bulletin [3, p. 17] and the 2004-2006 NGCSU Graduate Bulletin [4, pp. 27-96].
